

# 2023 7th International Conference on Reliability Engineering (ICRE 2023)

Bologna, Italy | November 22-24, 2023

<http://icre.org/>

## Topics

Topics of interest for submission include, but are not limited to:

- Condition based maintenance
- Data collection and analysis
- Multidisciplinary design optimization
- Network reliability
- Prognostics and health management
- Quality planning and measurements
- Reliability centered maintenance
- Risk assessment methods
- Robust design
- Software maintenance
- Survival data analysis
- Total quality management techniques
- Quality assurance and cost issues
- Reliability theory and application

More topics, please visit:

<http://icre.org/cfp.html>

## Important Dates

|                            |                      |
|----------------------------|----------------------|
| Submission Deadline        | October 10, 2023     |
| Notification of Acceptance | October 25, 2023     |
| Registration Deadline      | October 30, 2023     |
| Conference Dates           | November 22-24, 2023 |

## Publication

Submitted paper will be peer reviewed by conference committees, and accepted papers will be included into Conference Proceedings which will be indexed by SCOPUS and Ei Compendex.

## Submission Methods

1.You could submit the full paper and abstract by electronic submission system:

<https://www.zmeeting.org/submission/icre2023>

2.Or, you could submit it by email directly:

[icre\\_conf@outlook.com](mailto:icre_conf@outlook.com)
